### **JOB ADVERTISEMENT**

#### **VACANCY FOR THE POSITION OF LABORATORY TECHNOLOGIST**

**Job Reference:** KEWASCO/TECHN/003/2025  
**Terms of Employment:** Three (3) Year Renewable Contract  
**Reporting to:** Snr. Production & Distribution Officer  
**Job Grade:** Kewasco Job group 5

#### **About the Company**

The Kericho Water and Sanitation Company Limited (KEWASCO) is a limited liability incorporated under the Companies Act, 2015 as a Water Service Provider (WSP) company wholly owned by the County Government of Kericho. The company is mandated to provide water and sanitation services within the licensed areas of Kericho County. The company wishes to recruit a self-driven individual for the position of **Laboratory Technologist**.

#### **Job Purpose**

To support the company in ensuring compliance with water quality standards through laboratory testing, sampling, analysis, and reporting. The Laboratory Technologist will conduct physical, chemical, and bacteriological tests to ensure water supplied to consumers meets KEBS and WHO guidelines.

#### **Key Duties and Responsibilities**

- Conduct routine water sampling, field testing, and laboratory analysis.
- Perform physical, chemical, and microbiological tests on water and wastewater.
- Record, analyze, and interpret laboratory results and prepare reports.
- Maintain laboratory equipment, reagents, and consumables.
- Ensure proper calibration of laboratory instruments.
- Maintain accurate laboratory logs and quality assurance documentation.
- Assist in developing and implementing water quality monitoring programs.
- Ensure compliance with KEBS, NEMA, and WASREB water quality guidelines.
- Safely handle laboratory waste and maintain good laboratory hygiene.
- Participate in internal and external water quality audits.
- Perform any other duties as may be assigned by the supervisor.

## Minimum Qualifications and Experience

- Diploma in Science Laboratory Technology, Analytical Chemistry, Applied Chemistry, or related field.
- At least 2 years' experience in a water quality laboratory (preferably in a WSP or accredited lab).
- Experience in **ISO** accredited laboratory procedures is an added advantage.
- Knowledge of KEBS and WHO water quality standards.
- Computer literacy (MS Office, data entry, lab software).

## Key Competencies & Skills

- Strong analytical and laboratory skills.
- Excellent communication skills.
- High integrity and attention to detail.
- Ability to work under minimal supervision.
- Good communication and report writing skills.
- Knowledge of safety procedures in laboratory environments.

## Terms of Employment

The appointment will be for a three (3) year renewable contract subject to satisfactory performance.

## How to Apply

Interested candidates can submit their applications via email to [applications@kewasco.co.ke](mailto:applications@kewasco.co.ke), post or hand delivered together with updated CVs, academic and professional certificates, indicating email, day time telephone contact and other testimonials in a sealed envelope clearly marked the position applied for and the job reference number at the top of the envelope.

The application should reach the address below on or before **Monday, 15<sup>th</sup> December, 2025 at 4:00pm.**

Suitable qualified candidates are invited to apply and can access the detailed job description from the website [www.kewasco.co.ke](http://www.kewasco.co.ke). All applications sent by post or courier should be addressed and delivered to:

**The Managing Director  
Kericho Water and Sanitation Company Limited  
P.O Box 1379 - 20200 KERICHO  
Tel: 0797 220 294**

**NB: Only short-listed applicants will be contacted. Any form of canvassing will lead to automatic disqualification.**

**Women and Persons with Disabilities (PWDs) are encouraged to apply.**
